

MODEL EM-5011

ABS Foldable Safety Earmuffs EN352 ANSI AS/NZS

CE, ANSI Certified

Specification

Type: Earmuff.

Material: ABS.

NRR: 23dB.

Certification: CE, ANSI.

Color: Yellow, Green, Blue, Black or Customized.

Headband: Stainless Steel.

Powerful Noise Reduction

Dual noise reduction data of SNR 30dB & NRR 23dB blocks loud noise from construction, shooting and machinery to protect hearing effectively.

Comfort & Durability

Stainless steel headband with padded ear cups, adjustable head size, lightweight for all-day wear. Sturdy ABS shell supports repeated long-term use.

Dual Standard Certification

Certified by CE EN352-1:2020 and ANSI S3.19-1974. Multiple color options fit industrial, shooting and other noisy working scenarios.
